

Southern Wake Counseling Center, PLLC
Consent to Treat a Minor

Dear parents or guardians:

Welcome to Southern Wake Counseling Center. We consider it a privilege to meet your family's counseling needs. During the first session, the counselor will ask to speak with you to discuss goals, concerns and obtain a brief history of the client. Although each counselor has their own counseling style, parents or guardians are often asked to speak with the counselor before or after each session to give an update on any issues. Feel free to bring with you any information you may think the counselor might find helpful.

Parents/Guardians, please note that if a counselor is notified that anyone is in danger of harming themselves or someone else, you will be notified immediately. Parents/guardians are required to stay on the premises during each session.

By signing below, you give permission to Southern Wake Counseling Center, PLLC to see your minor child for counseling, testing or assessment.
